VISS PARENTS & FRIENDS ASSOCIATION NEWS

The coming weeks promise to be busy and active at VISS. My first news is that I incorrectly wrote the wrong date for the next meeting in the last newsletter, please be informed the meeting will be **NOVEMBER 10TH at 7:15pm** In the Senior School building.

Over the next children in the Junior and Middle schools will be bring home information and forms for a read a thon, This is a parent's association programme that has been discussed at our last few meetings. The funds raised from this will go towards purchasing new books for the library. The money raised in each school will be allocated to that school for spending. Please support this, if you have any queries contact me directly or ask your class teacher.

There are some coffee mornings being planned in the Junior School by Ms Linden, I look forward to meeting many of you there. We also plan to hold coffee mornings outside the school as a social activity. I have scheduled a date for November 11th at 1030 am at Al Qasba (Sharjah) Caribou Coffee. Please come along and join in. As the weather cools we can also start a morning walking group at the corniche for those who may be interested. Please contact me at parents@viss.ae or leave a message at school and I will get back to you, if you have any questions or thoughts.

This week I have had the fun experience of working in the Junior school canteen, this has been quite enjoyable. The students were very excited to have the canteen available to them. If you would like to help in the canteen please contact Jodi Lamshed directly who would love any volunteers.

On a final note I would like to wish Cameron Stewart and Simon De Vinny all the very best as they begin their VCE exams this week. I imagine it is a stressful and exciting time all at once. As our first VCE graduating VISS students we are all thinking of you.

As an Association we will act in support of the school coordinate many activities within the school which will form a very active an important role within the school. Through these working groups at times we will hold fundraising events which in turn enable us to make purchases that benefit all students.

Julie Howell
