

VICTORIAN INTERNATIONAL SCHOOL
PARENTS ASSOCIATION

To all new families starting at VISS we would like to welcome you to our community and to all our existing families we welcome you back for the start of a new academic year.

The VISS parents association was established in 2009. The role of the Parents Association is to help develop a sense of community in the school and create an avenue for parents to meet socially.

Regular meetings are held throughout the year to discuss issues, events and ideas relating to our school.

Our first meeting for the year will be held after the Holy Month of Ramadan. It was decided that this will be a morning tea as well as a meeting so many of us can meet and have the opportunity to talk. The scheduled date is October 6th; more information on this date will be provided soon.

It has been great to meet many new parents throughout the registration day's process in the uniform shop and I would continue to encourage you to come along and join in.

If you have any queries or would like to contact me my email is parents@viss.ae if you would like a chat leave a message at school and I will get back to you.

Regards

Julie Howell
